## **GetSet Surgical Privacy Policy**

### **Cookies policy**

getsetsurgical.com uses cookies and similar tools to improve performance and enhance your user experience. This policy provides details on how it works.

### **What are cookies?**

Cookies are small files which a website may store on your computer or mobile device when you first experience a site or page. Cookies are designed to help the website, or a third-party website, to recognise your device the next time you visit. The term “cookie” is used in this policy to refer to all files that collect information in this way.

A typical use for a cookie is to remember data you have entered to avoid starting over again on your next visit. getsetsurgical.com also uses cookies to measure how well our website is performing. Cookies won't collect information that identifies you, instead more general information – such as how users arrive at and use our websites – is collected.

### **What sort of cookies does getsetsurgical.com use?**

getsetsurgical.com stores cookies to perform the following function:

**Performance Cookies** We utilise other cookies to analyse how our visitors use our website and to monitor website performance. This allows us to provide a high-quality experience by customising our offering and quickly identifying and fixing any issues that arise. For example, we might use performance cookies to keep track of which pages are most popular, which method of linking between pages is most effective, and to determine why some pages are receiving error messages.

### **How do I block cookies?**

If you do wish to disable our cookies then please follow the instructions on our “How to manage cookies” section. Please remember that the choice to disable cookies may impact your experience of our website.

### **More Information**

More detail on how businesses use cookies is available at [www.allaboutcookies.org](http://www.allaboutcookies.org). If you still have questions on the use of cookies on our site, please contact the webmaster.
